Junior Driver Camp

NUMBERS ARE LIMITED SO GET YOUR ENTRIES IN EARLY

ACDS COVID 19 restrictions will be STRICTLY ADHERED to and all attending will need to complete the biosecurity form, keep social distancing and practice covid safe hygiene practices if still required.

Our Guest instructors for the weekend are happy to come and share their knowledge with all our Junior drivers and beginners. There will also be Instructors on the grounds available to assist, to make the weekend run as smoothly as possible.

We would like to make this a fun filled learning experience for all involved.

All juniors under the age of 18 must wear a properly fitted and ACDS approved safety helmet and always have an adult ACDS member in the vehicle with them.

Group and individual Lessons will be for all junior drivers covering safe harnessing, dressage, CDE as much as we can cover in all the disciplines while still having as much fun as we can. There will be time slots for individual lessons so please be on time otherwise it will be your lesson cut short not anyone else's. There will be a variety of courses and tips on where to improve next time or comments on how well you learnt. We are trying to make the most of the weekend and hope that you have a wonderful time.

We are having a BarBQ and harness related games night in the Club house and if warm enough out on the porch.

I would like to thank Southern Highlands and Tamworth for their help preparing for this event and all the other clubs for their support.

Donations to Bear Cottage would be greatly appreciated throughout the weekend for things like free camping and instruction throughout the camp.
