Congratulations everyone awesome day had by all.

Thank you to everyone for a fantastic day at our Annual Max Saunders Memorial Sporting Day. Everyone helped set up, run and enjoy our event.

This day is our way of remembering Max Saunders who passed away 3 years ago. Max has always been a great supporter of our club and is sadly missed, but today we remembered him as the excitable sideline spokesman at our all days. Max was a very knowledgeable horseman and when he said something or suggested you try this you could bet he was right on the mark. We hope you all have a great time and think of Max and imagine him calling out from the sideline and encouraging everyone to "just give it a go!"

There are a few special mentions that we can't forget, our Judge and time keeper Jocelyn Ullman, penciller who worked tirelessly throughout the day Fiona Zibens and the photographer Graham from Heuy's Photographs who took over 200 amazing action shots of everyone having an absolute blast. You will find them all on our club facebook page. Finally without the drivers there wouldn't be days like this, so with 17 drivers including 4 juniors everyone supported and cheered each other on. The packing up was done just as seamlessly with Kristy and Lucy French having got a good head start piling everything into easy to load spots for the rest of us. Without everyone helping these days would not happen, it shows you the friendship and camaraderie throughout our club members.
